# BALTIC GRAIN EXCHANGE COPENHAGEN September 19th

# 2019

**BALTIC GRAIN  
EXCHANGE  
COPENHAGEN**  
September 19th

DAKOFO, the Danish Grain and Feed Trade Association, and ProAgro, The Danish Association of Agri Broker Services, are pleased to invite you to the 19th Baltic Grain Exchange for grain, feedstuffs, and the logistics service sector on:

**Thursday, September 19th 2019**  
**From 2 pm to 5.30 pm**  
**At "Børsen" Slotsholmsgade**  
**1217 Copenhagen K, Denmark**

Venue, BØRSEN, which originally was the Stock Exchange for the commodity exchange and especially for grain and feedstuffs, is located in the center of Copenhagen.

In a time with volatile markets there is a need for personal contacts, and this is in fact what the Baltic Grain Exchange gives you an excellent opportunity to obtain.

We hope you will find time to visit the Baltic Grain Exchange on the 19th of September 2019.

Baltic Grain Exchange is one of the most important exchanges with influential guests, and therefore you will meet your business partners – exchange views and establish new contacts during the day. In the evening, we host a formal dinner in historical surroundings with fantastic atmosphere.

We are looking forward to seeing you in Copenhagen.
